

The Quality Policy at T-B&S Mfg Co is:

- To consistently meet customer requirements/expectations,
- To always provide our customers with the best products available,
- To continually improve the quality management system and the service we provide to our customers,
- To adhere to customer, statutory and regulatory requirements, as well as those defined within applicable standards.

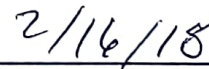

In an effort to make our policy memorable to all employees and customers, we have decided to adopt a Quality Slogan that we feel captures our policy. That slogan is:

**COMMITMENT TO EXCELLENCE**

Based on our Quality Policy our quality objectives have been established in order to strive toward our goal of improvement and overall customer satisfaction. They are further defined in the Target Attainment Plan, Appendix F.
